The Epcot® '94 INSIDER

Volume I, Issue 5 | Inside news for inside Epcot® | October 9-15, 1994

INNOVENTIONS - SEE THE FUTURE OF TECHNOLOGY . . . *TODAY!*

EPCOT '94 - Innoventions, an amazing showplace for the latest technology, is now thrilling and astounding Guests at Epcot '94. Leading manufacturers from around the world are showcasing their exciting new designs of products for home, work, and play.

Innoventions features a number of incredible exhibits. For a closer look at all there is to see, check out the Guide to Innoventions on Pages 2 and 5 of *The Epcot '94 Insider.*

COLOR OUR WORLD!

EPCOT '94 - Experience the magic of imagination and color! Art workshops will be held for children ages 5-12 at the Odyssey Complex on Sunday, **October 9**, at 11:00am, 1:00pm, and 3:00pm. Kids can choose their favorite Crayola® media to create their own masterpieces themed to either Land, Sea, or Sky, as part of the Crayola Dream-Makers™ program. There is no charge to participate, but seating is limited. We ask that one adult family member or guardian remain with the child during the one-hour workshop.

Additional workshops are scheduled for Sunday, October 16; Sunday, October 23; and Sunday, October 30.

Character Greeting Information 6
Entertainment Highlights 6

This Week at Epcot '94

OPERATING HOURS
Sunday-Saturday

Future World	9am-7pm
World Showcase	11am-9pm

Closed for Renovation
Spaceship Earth
Magic Eye Theater

SOMETHING FISHY IN THE LAND

THE LAND - The **aquaculture display** on the Living with the Land attraction is now showcasing sturgeon. This "threatened" species is native to the Gulf of Mexico. Juveniles inhabit freshwater rivers and areas of mixed fresh and salt water, then migrate to the ocean to mature. The hardy, fast-growing fish are being studied for their potential to be grown in intensive aquaculture conditions.

EPCOT ENTERTAINMENT SCHEDULE INSIDE!

WORLD SHOWCASE CELEBRATIONS

OKTOBERFEST!

GERMANY - The food, music, and spirit of *Oktoberfest* is now being celebrated at the Germany showcase.

The event, which will continue **through October 29**, features special entertainment, dinner shows, a chocolate cordials station, and a German barbecue.

A special all-you-can-eat lunch buffet featuring sausages, rotisserie chicken, side salads, red cabbage, wine kraut, dumplings, and roast potatoes is also available at the Biergarten Restaurant.

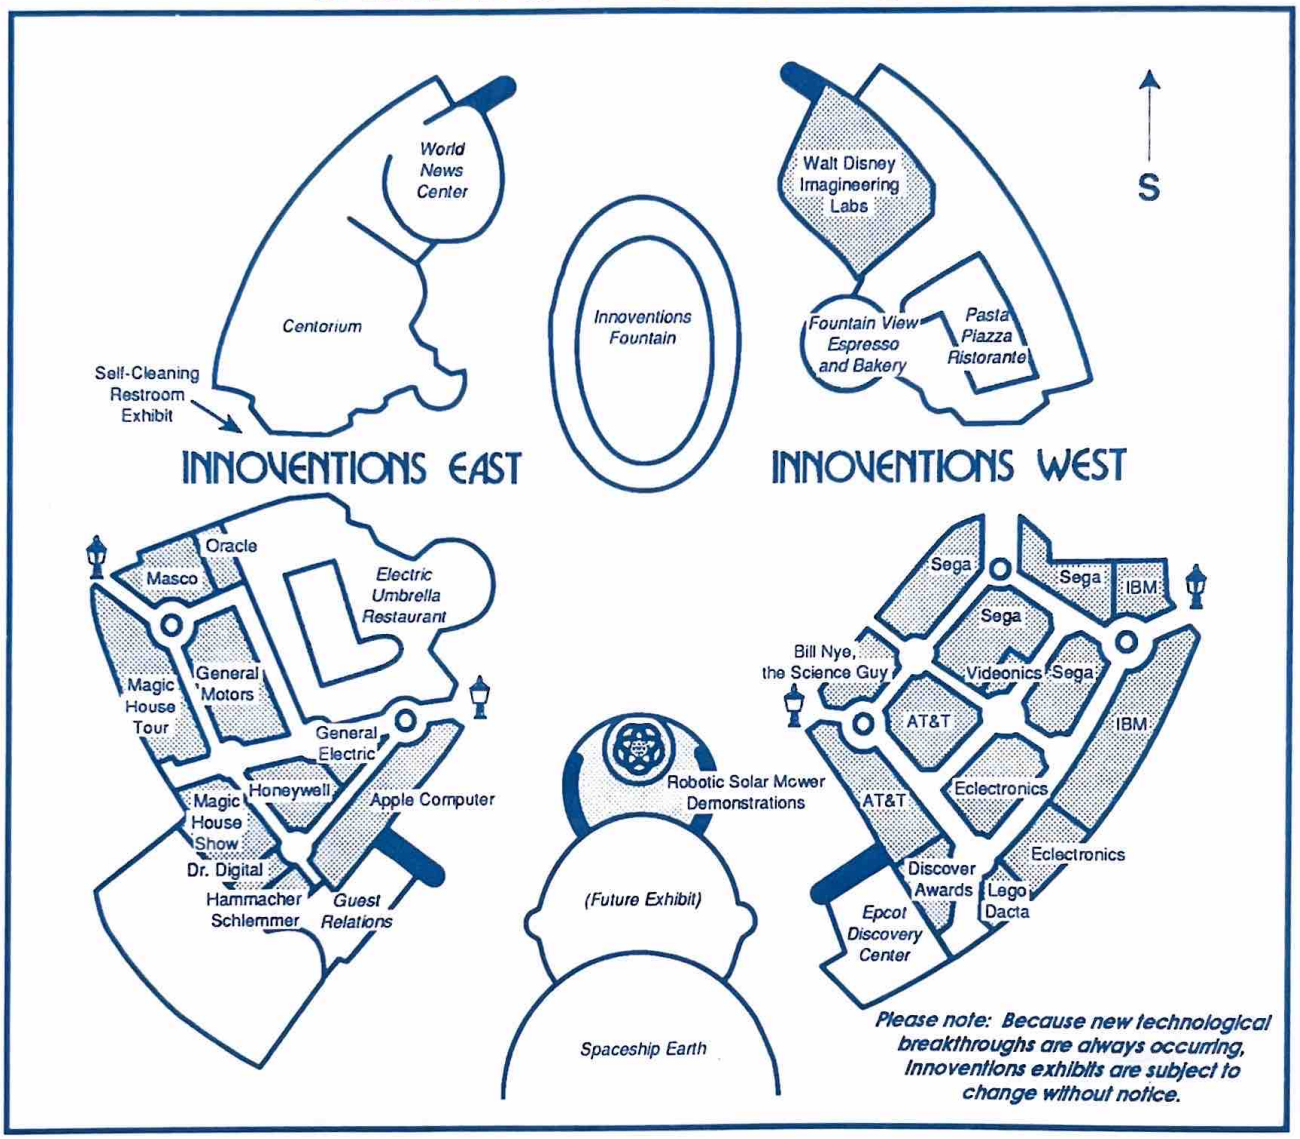
HAPPY BIRTHDAY, PADDINGTON BEAR!

UNITED KINGDOM - Join in the festivities as we celebrate **Paddington Bear's Birthday** in the United Kingdom showcase on **October 13**. A variety of special activites are planned as we salute this popular British storybook character.

A SPECIAL DAY FOR KIDS TO PLAY

WORLD SHOWCASE - Children's activities from around the world will be featured in special "kids zones" throughout Epcot '94 during the park's **World Showcase Kids Days** celebration on **October 15**. Special games, story times, garden parties, and arts and crafts sessions will highlight the day.

INSIDE INNOVENTIONS



Innoventions, an exciting, ever-changing showplace of invention and innovation, features exhibits from some of the world's most dynamic companies. Here is a brief overview:

SEE *The Incredible*
Robotic Solar Mowers

You'll never look at yardwork the same way again!

Demonstrations daily until dusk near Innoventions Plaza *(weather permitting).*

INNOVENTIONS WEST

AT&T Co.

The future of telecommunications is here! Here are some highlights of what you'll see:

- "True Voice" demonstrations
- Videophones
- AT&T Consumer Services
- AT&T Interactive Catalog
- Wrist Telephone - The communications device made famous by Dick Tracy is close to reality!

Discover Magazine Awards for Technological Innovation

This year's winning inventors and their *incredible* inventions are saluted.

Eclectronics

A smart "Alectronic" robot with a snappy show teaches about the latest consumer electronics, featuring . . .

- High-definition television
- Video "shooting" gallery
- Multimedia CD-ROM showcase
- High-end audio room
